Overview	
Date	Thursday, 6 August 2020 (11:00 – 12:45)
Location	online, GoToMeeting platform
Aim of the event	The main goal of the event was to introduce the stakeholders to the BE-Rural developed teaching materials and discuss them and the possible events where we could test them.

Short summary:

The third BE-Rural stakeholder meeting took place online. It took place on the 6th of August 2020 from 11:00 till 12:45 on the GoToMeeting platform. The third stakeholder meeting was organised by regional Be-Rural Partner in Latvia - working group from the Latvian State Forest Research Institute "Silava". The educational materials about bioeconomy - sustainability, circular economy and bioeconomy for schools, colleges and universities – were presented. Video of the online presentation can be found [here](#).

We further plan to test these teaching materials both with pupils and teachers. Please feel free to contact BE-Rural Latvia team in case of questions, interest to participate in the stakeholder working group meetings or to test the developed teaching materials:
