

## Third online meeting with the Stakeholder working group

### Overview

Date	10.09.2020
Location	ZOOM platform
Aim of the event	Organization of the second seminar for knowledge exchange and capacity building in the Strumica region and planning the next three-months activities

### Short summary

In addition to the second online meeting with the stakeholder working group, a third meeting was held on 10.09.2020. The purpose of the meeting was to decide on topics which will be presented at the seminar planned for the next period. An overview on the activities in the next month were also presented, such as face-to-face workshop, webinar for the NGO and the educational events.

This meeting was attended by 11 stakeholders who actively express their opinion in the discussion. In the introductory part of the meeting the webinars for the public and NGO sector and the educational events were presented. After the short introductory round, through a presentation the stakeholders got more familiarized with the topic for the second KE&CB webinar for public sector. The stakeholders of the working group agreed that the topic of the second seminar will be "Best practices from other regions applicable for Strumica region". The webinar was scheduled on 17<sup>th</sup> of September and gathering participants will be done by the members of the stakeholder working group. About 15 participants are expected to participate. The preparation of the presentation and Q&A session for the webinar will be conducted by SDEWES-Skopje.

The NGO webinar is scheduled for mid-October, however the topic for this webinar will be additionally decided. The number of attendees for this webinar is expected to be higher as the stakeholder database for this sector is extensive. The educational events are planned to happen in November and December. These events should be physical activities once upon we got approval from the municipal representatives. The creation of list of teachers that will be included is in the process, as well the adaption of the educational materials.

Next step is the organization of the second KE&CB webinar for public sector and registration for the face-to-face webinar.
